## 30% Off Engine Oil Online

Use Code SAVE20 - Free Delivery Or Reserve And Collect

### Welcome to the Ultimate Oil Comparison Tool!

The Oil Comparison Tool is in **BETA**. There may be bugs and inaccuracies!

This is a unique web application that helps you identify lubricants similar to your chosen product. Just select the brand and the product from the drop down lists below then press the button and you will be presented with a list of similar products.

Alternatively you can see a list of all products meeting a particular specification or approval by selecting one below.

Please make sure that you read the **FAQ** and the **terms of use** before using this tool!
